Tom Campbell Gets Things Done!

I have to tell you that this has been a long, and at times frustrating, campaign.

While I recognize that a tough and vigorous debate is important, the "hit pieces" and negative ads on TV and over the internet and radio just aren't necessary.

It seems like everybody's doing it and, since they've changed the law, the candidates more often than not, don't even know what's about to "hit" in the final days of the campaign.

I have to tell you—I don't like this at all, and I'm sorry it's gotten so nasty. **Now it's getting close to the end and that ballot does need to be filled out and mailed in by Tuesday, November 2.**

I hope you'll consider me and I can go back to Olympia and do what I'm proud to do—serve this community in a straightforward and bi-partisan manner. I'll keep listening to anyone who wants to talk, and when asked a question, I'll give an honest answer. I would appreciate your vote.

Sincerely, Tom Campbell
